

**Parents of Y1 Children
The Falconry Centre
Monday 8th April 2024**

Dear Parents/Carers – Year 1 Children,

To launch our 'Once upon a Wood' topic next term (summer term), we have arranged for an owl specialist to deliver a workshop about owls and where they live. They will be bringing in several owls into school which they will 'fly' in the hall.

We are asking parents for a voluntary subsidised contribution of **£4 per child** towards the cost of the above visit. Should any parents have any problems or queries about the cost please see your child's teacher. As with any visit, either in or out of school, we do rely on contributions from parents - insufficient contributions may result in the visit having to be cancelled. We are asking parents to make payment online via school money. If you do not know your login details please call the school office so we can resend them to you.

Free School Meal Children - those parents who receive certain benefits - can use 'Get into It' funding to pay for the visit. Please let the school office know if you wish to use this.
