

Message from Mrs Hopkins...

This half term has been a much longer one than the last, however it seems to have gone by very quickly, with lots of things happening.

We had an assembly presented by Connect for Health, focussed on 'oral health', supporting children in the importance of a good teeth cleaning routine and how to look after our teeth. They also had a 'healthy eating' display on the playground.

Year 2 had a session supported by the Mental Health in Schools Team focussed on 'Coping with Change' -- we will be working closely with the team moving forward, to support both children and parents/carers. Look out for next year's newsletters with dates and events!

We have had events for parents/carers for all three Year groups -- these have gone well and feedback has been positive. Year 2 had their 'significant male in my life event', Year 1 had their picnic lunch and poster making and Reception had their 'Pirates and Mermaids' afternoon.

Year 1 visited Twycross Zoo as part of their learning enhancement for their topic about Animals.

Ofsted inspected the school, on 3rd and 4th July. We have now had the draft report to check and the final report will be available in September, we will share this with everybody then.

Year 2's leavers concert was fantastic, staff and children worked incredibly hard. The performance showcased the many talented and creative children in the year group. It was both emotional and uplifting. We finished the week off with a Year 2 leavers disco, the children (and staff) had a wonderful time.

This half term's School Value is: **RESPONSIBILITY** -- "We make sensible choices about what we say and do."

Thank you

We would like to wish our Glendale children and families a good summer.

We say farewell to our Year 2s and wish you well at Junior School, keep up your hard work and perseverance, you can achieve anything that you put your mind to!! We wish your families well too, for some I know it is the end of a long association with Glendale, as your youngest move on and for some we will see you again in September as younger children start.

For those children in Year 1 and Reception we look forward to welcoming you back in September to continue your learning journey. And to our new Reception children we look forward to you starting your journey with us.
