

**Parents of Y1 and Y2 Children (KS1)
Wonderdome - Planetarium
Wednesday 18th January**

Dear Parents/Carers – KS1 Children,

In line with our 'Space' topic this term, we have arranged for a space specialist to deliver a workshop about planets, stars and our solar system in an inflatable planetarium. Our school hall is not tall enough so we have hired Kelly's dance studio on Heath End Road, the children will be walked down as a class to experience the dome.

We are asking parents for a voluntary subsidised contribution of **£4.00 per child** towards the cost of the above visit. Should any parents have any problems or queries about the cost please see your child's teacher. As with any visit, either in or out of school, we do rely on contributions from parents - insufficient contributions may result in the visit having to be cancelled.

We are asking parents to make payment online via school money. If you do not know your login details please call the school office so we can resend them to you.

Free School Meal Children - those parents who receive certain benefits - can use 'Get into It' funding to pay for the visit. Please let the school office know if you wish to use this.
