## July 2021 Newsletter (1)

### School News

We are at the end of another school year, one that has brought many challenges, due to COVID. Staff and children have shown great resilience. We have learned to adapt along the way and embraced the changes. We would like to thank you for your support and patience too. We are hopeful that the new school year might see the reintroduction of activities that we have had to put on hold for the past 18 months; this of course will be dependent on how the pandemic progresses over the coming months.

There have been many positives this year, most recently our Sports Day, when the children were able to compete, in classes, but cheered along by their friends in their year group. It was very touching to see the encouragement and support they had for each other. Assemblies have been very different, being virtual, but these have enabled to meet as a whole school, share stories and still celebrate individual children's successes, in and out of school.

Looking forward to September, we wish our year 2 children good luck in their new schools. We look forward to our new Reception children starting and welcoming back our current Reception and year 1 children to their new year groups. We will be reintroducing the wider lunch menu; these are displayed on our website.

If your child is in receipt of Free School Meals, you should have had a letter/email from the Local Authority, giving your child access to summer holiday activities, via the HAF (Holiday and Food) programme.

**We wish you all a safe and happy summer.**

### USEFUL INFORMATION

If you need help with any queries or concerns regarding your child or family over the summer holiday, the Family Information Service(FIS) are available – we put their regular newsletters onto the school website. They offer a wealth of services, signposting and support. You can get in touch with them by emailing [fis@warwickshire.gov.uk](mailto:fis@warwickshire.gov.uk) or calling 01926 742274.
