

Changes to Early Bird & After School Club as of September 2021

During the last year we have had to reduce our out of school provision to comply with COVID restrictions. From September 2021 we are hopeful that these restrictions will no longer be in place, please see below our plans for early bird and after school in the new academic year.

Please remember that you will need to be registered to use early bird and after school. Forms are available on our school website or if you contact the office we can arrange for paper copies to be sent out.
