March 2021 Newsletter (1)

School News

It has been so lovely having all of the children back in school since the 8th March and for them to be amongst their friends in their class bubbles again. I would like to say a huge thank you those of you who have supported home learning, for those children who did not attend during Lockdown, we appreciate what a large task it would have been and for some of you juggling other children and work too. Your children and their teachers have been working hard over the few weeks getting settled back into a new routine and seeing where children are with their learning to plan and adapt the next steps for learning.

It is hard to believe that after the Easter break we are into the summer term and looking at transition for all year groups in July. We have yet to see what the National Guidance will look like by then, but hopefully if the roadmap goes to plan, there will potentially be no restrictions when we come to that point. We will obviously send out information nearer the time.

We hope that you have an enjoyable Easter break and hopefully there will be some good weather to make use of the outdoor spaces. We urge you to continue to follow the government guidance, it is hard, but if we all do our bit to keep everybody safe the end of the need for further Lockdowns is much closer.

UPDATING CONTACT INFORMATION

Can we please remind you to ensure that we have the correct contact details for you and any other contacts on your child's records. Each time you change your phone number, email address or home address and any another named contact changes phone number, you need to let us know as soon as possible. This ensures that you get information from school – text messages, emails etc. If we need to get hold of you in an emergency it is important we can do so as quickly as possible.

USEFUL INFORMATION

If you need help with any queries or concerns regarding your child or family either at home or school, please remember you can contact Mrs Lapworth at school. She might be able to give you some help or advice or signpost you to where you might be able to get further help/support.
