9th December 2020

Dear Parents/Carers,

I am delighted to inform you that we are welcoming back Mrs Hodgson after Christmas and she will be teaching your child's class Monday – Wednesday on a permanent basis, alongside Mrs Palmer.

I would like to extend sincere thanks from myself and the governors to Mrs Brindley for all her hard work in settling the class into Reception during this difficult year. Her experience, calmness and understanding of the Early Years has shone through. She has also kindly stepped in during Mrs Palmers extended absence to provide continuity and consistency for the children. Mrs Palmer anticipates being back before the end of term.

Mrs Hodgson has been in and met the children and will have an up to date idea of the children's strengths and next steps.

If you have any questions then please do not hesitate to speak to Mrs Brindley (this term) or Miss Greer (Early Years Leader).

Yours sincerely,

Mrs L Hopkins
Headteacher
