Dear Parents/Carers,

You may well be aware of an announcement from the DFE at short notice to schools recommending that we close to children on Friday 18th December.

Many of the local consortium schools met this morning and have jointly decided that we **WILL BE OPEN** on **FRIDAY 18th DECEMBER**. Closure at such short notice will cause problems and inconvenience for working parents.

Thank you for your ongoing support during these difficult times.

Yours sincerely,

A handwritten signature in black ink that reads 'Louise Hopkins'. The signature is written in a cursive, flowing style.
