

School News

It has been a long half-term and the children have done really well getting to the end of it. Attendance at school has been really good for the majority of the children, this is especially important due to the time that was lost between March and August, so thank you for your support in getting your children to school as frequently as possible. Thank you also for your support in helping us to make sure that we keep the children, you and the staff as safe as possible during this pandemic. It is not easy, but if we all play our part, then we can continue to keep the risk of the spread of COVID low in our school and local community. Please continue to observe the government guidance during half-term as well.

I would continue to urge you NOT to park along Skye Close and Oldany Way, so that parents/carers and children have ample and safe space to cross the road safely and observe social distancing.

Parents evening telephone conversations/virtual meetings seem to have gone well and staff have enjoyed having the opportunity to talk to you in a little more depth about how well your child is doing and how you might be able to help. We have rescheduled the Year 1 & Year 2 Curriculum meeting for the 3rd November.

We hope you all have a happy and safe half-term. Please remember if you are going away and returning from an area that has restrictions, then you must adhere to the isolation periods, as these are now enforceable. We will be asking parents/carers when completing Leave of Absence forms to write on where they are going to.

We look forward to seeing you all back on 2nd November.

2R: Noah. Seth and Rio.

Useful Information

The Prime Minister set out new local rules to reduce the spread of COVID across the UK last week by introducing a three-tiered system of local COVID Alert Levels.

Warwickshire is currently set at the “medium” alert level. Find out more: <https://www.warwickshire.gov.uk/news/article/1392/covid-alert-levels-and-what-they-mean-for-warwickshire->

COVID Alert Level Postcode Checker

If you want to find out the current Covid-19 restrictions that are in place in the area that you are in, use the new postcode checker feature on the .gov website here: <https://www.gov.uk/find-coronavirus-local-restrictions>
