Glendale Update

Dear Parents/Carers,

Here we are on the last day of the summer term, and not the day, term or year we were expecting. Things will remain different for us all for a while too, but we are looking forward to welcoming back familiar and new families and children in September.

Year 1 and Year 2 should all have had the information about gates, start and finish times etc. Year 1 and Year 2 will start back on Thursday 3rd September. Reception have a transition programme that starts week beginning 7th September.

Children transferring to Croft and Middlemarch have been informed of their transition sessions and we wish all of our Year 2 children good luck as they start the next stage of their learning journeys, the headteachers in Nuneaton work closely together and I look forward to hearing how the children are getting on throughout the year.

Revised opening times for Early Bird and After School Club have been sent out and are also on the school website. Please ensure you are aware of these if you need to use the facility.

HOME LEARNING RESOURCES

There is some phonics learning on the website, it is labelled for Year 1 and Year 2. You were also emailed a 'Summer Passport' with activities for the children to complete in summer, if they would like to.

All that remains for me to say are a few thank yous – to the staff who have worked incredibly hard (as always), but under more challenging circumstances. To the parents who have had the opportunity to send their children back – for your help in maintaining the new expectations and for entrusting your children back into our care. And finally to the children who have been in school – you have been amazing in adapting and following the new rules.

Have a safe and happy summer.

Very best wishes,

Louise Hopkins
