

10th July 2020

Glendale Update

Dear Parents/Carers,

Staff have been delighted to see many parents and children we have not seen for many months as you came and collected reports, transition booklet, etc.

We are busy putting the final plans together for September and you will receive a letter with the full details next week. **PLEASE LOOK OUT FOR THIS.** Check your junk mail if you do not see it. If it goes to your junk mail, report as not junk.

Year 1 and Year 2 will be starting back at school on Thursday 3rd September, they will be returning full-time. Staff are looking forward to meeting their new classes and having full classes again!!

HOME LEARNING RESOURCES

Picture News: This week's theme is: Holidays

Children>Home Learning>Picture news

The weekly home learning sheets have been added to the website too:

Children>Home Learning

Please note this is the last lot of home learning we will be posting before the summer holiday. If your child is keen to continue to complete activities over the holiday, you can still use the many websites we have shared with you across the last few months. We will put some reminders and links into next week's newsletter.

Take care.

Very best wishes,

Louise Hopkins
