

Dear Parents/Carers,

You are invited to join your child in their classroom for a Christmas Craft afternoon on Friday the 6th December at 1.45pm.

There will be 5 Christmas themed activities for you to complete with your child.

Due to the limited space we would ask that only one adult attends per child therefore please do not bring younger children. We understand that many parents work and may not be able to come. If you are unable to attend feel free to ask a grandparent or other family member to come instead. Otherwise, your child will complete these fun activities with adults at school.

On the day please enter via your child's classroom door.

Please complete the attached form and return to school by Friday 22nd November.

We hope to see you there.

Year 1 teachers.

Child's name _____

I will/ will not be attending the Christmas Craft afternoon on Friday the 6th December at 1.45pm.
