

**Parents of Y1 and Y2 Children (KS1)
Young Town Planners - Lego Workshops
Thursday 19th September – Y2
Friday 20th September – Y1**

Dear Parents/carers – KS1 Children,

In line with our geography and technology topic this term on buildings, we have arranged for a team of technology specialists to deliver a work shop in school constructing models of buildings to create a town. Children will use skills such as logic, maths, manual dexterity, practical design and teamwork during the work shop.

We are asking parents for a voluntary contribution of £5.00 per child towards the cost of the above visit. Should any parent have any problems or queries about the cost please see your child's teacher. As with any visit, either in or out of school, we do rely on contributions from parents - insufficient contributions may result in the visit having to be cancelled.

Free School Meal Children - those parents who receive certain benefits - can use 'Get into It' funding to pay for the visit.

✂.....

Young Town Planners Lego Workshop – September 2019

I wish to contribute £5.00 towards the cost:

My child is entitled to Free School Meals, and I wish to use 'Get Into It' funding:

Child's name Class
