

Dear Parents/Carers,

You are invited to join your child for a 'Year 1 Summer Picnic' on Friday 5th July at 12.15.

Due to limited space we would ask that only 1 adult attends per child (no siblings).

We understand that many parents work and may not be able to come. Please feel free to ask another family member to come instead.

Adults please bring a packed lunch with you and your child will make you a sweet treat before you arrive.

After the picnic we ask that you stay with your child to play with PE equipment before coming inside to make a poster all about them. The posters will be given to their new Year 2 teachers. You may want to bring in photographs of your child (maybe doing their favourite activity)/family/pets etc, stickers or anything else you can think of to decorate your poster.

We look forward to seeing you and keep our fingers crossed for nice weather!
