

To enhance our 'Once upon a town' topic we have arranged a visit from 'Lion Learners' on Monday 13th October. They will be bringing in a selection of Snakes, Lizards, and Tortoises.

We ask for a subsidised voluntary contribution of £2.75 per child, payable via school money, towards the cost. The rest will be paid from school funds.

We are looking forward to having a hands on experience which improves our knowledge of the animals.
