Challenge

Throughout our lives we are going to experience different challenges, both big and small. There will be times where these challenges are exciting and maybe other times where challenges could feel scary and uncertain. These different challenges will push us to try new things, build our resilience and teach us new things about ourselves and the world around us.

When taking on challenges, we learn that we can work towards goals, overcome any obstacles and be resilient even when something is difficult. A **growth mindset** can help us take on new challenges, it builds our confidence to have a go at things, increases our self-esteem and encourages us to keep trying, even if something doesn't work out the first time!

Our top tips for challenging ourselves:

- 1. Set yourself some goals** you would like to reach this time next year (long term goals). Perhaps these can be things you've always wanted to do but never tried before. Break your goals down into medium-term goals and short-term goals (goals you can set to work towards the long-term goal in a few weeks or months).
- 2. Ask for help** when needed. Challenging ourselves is not about getting through difficult times alone...sometimes we need a helping hand and that is okay!
- 3. Push yourself out of your comfort zone** this week. You might want to try a new food, learn a new hobby, start a conversation with a different friend, or put your hand up in a lesson at school. Can you think of a **SMART goal** you would like to challenge yourself with this week? Follow the QR code to learn more about SMART goals:
- 4. Read books** with characters who overcome challenges. What strategies did the characters use to push through them? Follow the QR code to a list of books that help children face challenges:

In Coventry and Warwickshire, for any urgent mental health concerns, contact the RISE Crisis Helpline available 24/7, by calling NHS 111. Alternatively, call 999 or visit A&E in an emergency, for example if medical attention is required.

MHST are available to support you and your school throughout the school year including term time and school holidays.

Please contact your school's Mental Health Lead for information and advice.
