Trial of later finish for after school club Summer Term 2025

Dear Parents/Carers,

Following our recent parent questionnaire regarding a later finish for after school, we analysed the responses and discussed these in our most recent governors meeting.

We have decided to trial the following for the Summer Term 2025:

After school until 4pm - £4
After school until 5pm - £7
After school until 5.20 - £10 (limited places)

If the trial proves successful, we will look at making this a permanent option from September 2025. We will confirm the outcome before the end of the Summer term.

If you have any questions please do not hesitate to contact the office or speak to after school staff on collection.

Kind regards

Louise Hopkins
Headteacher
