

Glendale Infant School
September 2024 Newsletter 1

Welcome back to the new school year....

It has been lovely seeing all of the children return to school ready for this academic year; eager, full of energy and enthusiasm.

Teachers have planned lots of exciting learning opportunities for the term ahead. You will receive topic letters for your child's year group, so you are aware of some of the things your child will be learning and ideas of how you can support at home. Each year group will also hold curriculum evenings in the coming weeks.

You will also get a list of diary dates, with key events throughout the year.

Please remember if you have any questions or concerns come and speak to a member of staff.

REMINDER – Bookings for Early Bird and After school Club need to be made the week before via the school money app. Booking opens on a Monday and closes at 4pm on the Thursday.

USEFUL INFORMATION

If you need help with any queries or concerns regarding your child or family either at home or school, please remember you can contact Mrs Lapworth at school. She might be able to give you some help or advice or signpost you to where you might be able to get further help/support.

There is also the Family Information Service (FIS) – we put their regular newsletters onto the school website. They offer a wealth of services, signposting and support. You can get in touch with us by emailing fis@warwickshire.gov.uk or calling 01926 742274.
